For review I prefer a hard copy.

Subject: VB/I-70 OU 2 Draft Feasibility Study report

Hi All,

The subject document is in and EPA just received two hard copies and no discs. I requested two discs from Denver's contractor and I will burn as many additional copies as we need. My question is do you prefer a hard copy or disc? Please let me know. If you want a hard copy, I will have our copy center reproduce as many as we need.

Thanks,

Sam
